The kit's will be beneficial for at-home practice.

Any new information for the student

For more information, please read through the student handbook. Students must be aged 18 or older.

Mode of Assessment

The delivery of the course will be blended learning.

The theory will be delivered online. You will have a designated lecturer assigned to assist you.

The practical components will be delivered on campus.

The on-campus training will be announced closer to the time.

The practical hours are to be completed in the student clinic. Please contact your lecturer to find a regular time for you to come in for your clinic hours.

The hours are dependant on the clinic opening hours.

The hours can only be completed once you have passed the unit of competency for that unit.

Course Description

This course includes a combination of self-study and a classroom using a simulated environment.
